**Re: Public Records Act Request – Brady Lists, Giglio Lists, etc.**

Dear Mr. Rubins:

The County of Madera (the "County") is in receipt of your Public Records Act ("PRA") request dated July 4, 2019.

The County has reviewed your request and has determined that the request seeks access to disclosable public records in the County's possession. The County is in the process of searching for and gathering the records you have requested. We anticipate that the non-exempt, disclosable records you have requested may be available for copying on or about July 29, 2019. In that event, the County will notify you in writing by July 29, 2019, of the estimated page count and the reasonable costs of copying the responsive records that have been identified and gathered.

As always, the County will respond appropriately and will provide disclosable records in accordance with its obligations under the PRA. Please contact me if you have any questions regarding this matter.

Sincerely,

Brittaney L. Contreras  
Deputy County Counsel
